### TCM SERIES COMBI OVENS

What sets the TCM Combi Oven apart?

#### TOUCH-N-GO RECIPES

*Picture-based selections for pre-programmed recipes.*

#### PATENT-PENDING ABC MODE

*Auto-sets optimal humidity based on temperature and time—making it easy to always use as a combi oven.*

#### EXCLUSIVE GRAB-AND-GO RACKS

*Enables easy access to pans.*

#### SELF-CLEANING & DESCALING

*Multiple cleaning cycles with built-in descaling ability allow users to spend less time maintaining the oven and more time cooking with it.*

#### AVAILABLE MODELS:

TCM61	6 Half Levels
TCM101	10 Half Levels
TCM102	10 Full Levels

#### MANUAL: ABC & JET

*As simple as it gets*

- Streamlined **ABC** mode lets operators cook with confidence
- **JET** mode gives full control over all combi settings

#### AUTO

*Pre-programmed ease*

- **AUTO** mode features preloaded and programmable recipes. Additional AUTO options include “My Recipes”, “My Favorites”, Multi-Level Shelf Timers and Multiproduct mode functions

#### CLEANING

*Auto or manual*

- **AUTO CLEANING:** Water recirculation using non-proprietary liquid detergent
- **AUTO DELIME:** Non-proprietary liquid de-scaler
